IMPORTANT NOTICE to Animal Owners involved in Showing Animals.

INTENDING EXHIBITORS ARE ADVISED TO ENSURE THAT THEIR PUBLIC LIABILITY POLICY COVERS THE EXHIBITION OF BLOODSTOCK/LIVESTOCK AT PUBLIC SHOWS.

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing animals at Shows, we understand the cost is very little or nothing at all. If you are one of the few who don't have cover we would advise that you consider putting it in place for this purpose. The reason for this advice is to protect

yourself in the event of your animal lashing out and injuring someone or damaging someone's property.

SPECIFIC REQUIREMENTS FOR SHEEP

Identification

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

Movement Documentation All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the county where the flock is located.

AIM Notification

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows:

1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.
2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.
3. The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement.
4. The show secretary keeps a white copy for his/her records.
5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register.

Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

Flock Register

All movements of sheep to and from shows must be recorded in the keeper's flock register.

SPECIFIC REQUIREMENTS HORSE AND OTHER EQUINES

Premises Registration

As from 1 May 2012, any premises (which includes shows, fairs and markets) where horses or other equines are gathered must be registered with the Department.
